2. Plan Integration—Hermosa Beach Presentation
3. City Feedback on sub-regional vulnerability assessment
4. City Feedback on city vulnerability assessment template
5. Next Steps and Timeline

City Feedback on Submitted Sections of Vulnerability Assessment:

- Hawthorne – A projection was missing data from 2015 – 2020, was there a reason?
 - SBCCOG will follow up
- Hawthorne - Incorporating plans/documents by reference (i.e. see CAP attached), how does that functionally work for the City?
 - Hermosa Beach – Use your resolutions by reference, prepare a memo (e.g. an appendix to Hazard Mitigation Plan) that explains overlap between plans/documents
 - Hermosa Beach – Use “process-oriented” resolutions/policies as references
 - Hermosa Beach – Being accompanied by Emergency Manager is helpful a when meeting with City staff
