

Resources for Owners

There's a wealth of online information for buyers and owners of EVs. We've gathered the best from state agencies, non-profit advocacy groups, online journals and owner forums, and summarized here:

California State Resources

- [Veloz](#) (formerly California Plug-In Vehicle Collaborative)
- [California Air Resources Board](#)

Non Profit Groups

- [National Resources Defense Council "Going Electric"](#)
- [Plug In America](#)
- [UC Davis Plug-In Research Center](#)

Online Journals

- [Green Car Reports](#)
- [Charged Electric Vehicles Magazine](#)
- [Electric Car Insider Magazine](#)

Owners' Groups and Blogs

- [Ford Focus Electric Forum](#)
- [Chevy Volt Owners Forum](#)
- [Mitsubishi iMiev Forum](#)
- [Nissan Leaf Forum](#)
- [Prius Owners Chat](#)
- [Tesla Motors Club](#)
- [Fiat 500e USA Forum](#)
- [Chevy Bolt Owners Forum](#)
- [BMW i3 Owners Forum](#)
