SCE / SCG Direct Install Programs

- FREE electric and gas savings measures – **LEDs, low-flow aerators, low-flow showerheads, pipe insulation and tank insulation.**
- Work performed by SCE/SCG qualified contractors.
- 14 South Bay cities participated in SCE program from 2014 – 2018.

Looking Ahead

- We're expecting a BIG year for energy savings.
 - 6.1M kWh savings, 5x our SCE annual goal.
 - 16.6k therms savings, 1.6x our SCG annual goal.
 - \$1.6M incentives, \$397k annual cost savings.
- Working with cities to identify opportunities for SCG Direct Install program. Equipment will be installed beginning in October.
- SCE Midstream Point of Purchase has \$3M in incentives for exterior LED lighting.
- Strategic Plan funds:
 - Continue being centralized energy manager for all our cities.
 - Research and Identify tool(s) to track and manage utility costs.
 - Energy benchmark municipal buildings.
- Begin work on projects as soon as possible and complete them in a timely manner.
