Energy Management Working Group

Date: Thursday, March 22, 2018
Time: 12:30pm to 2:00pm
Location: SBESC, 20285 S. Western Ave., Torrance, CA 90501

1. Welcome & Lunch (12:30)
2. Strategic Plan Funding Project SCE/SCG Overview – Kim Fuentes (12:30 – 1:00)
 - a. The project is divided into two parts 1) benchmarking and 2) investigating options for an enterprise energy information management system (EEMIS).
 - b. Who is the correct person or department staff from your city be invited to future EMWG meetings regarding the Strategic Plan topic?
 - c. To participate in the benchmarking, we will need utility data. To expedite the process, we will provide to you a data request or data information release form.
 - d. Regarding EEMIS, we want to make sure the final product is useful for your city needs, so your input is vital to the project's success.
 - e. One of the first steps will be to send a questioner to each city asking about your current EEMIS needs including if you are using an EEMIS system.
3. Information Sharing (1:00-1:45)
 - a. Project Updates – City staff & Greg Stevens
 - b. Utility updates – SCE/SCG Scot Mann, Damon Hannamon, Ann Teall
4. Question for group - What brings you the most value from the SBCCOG (1:45-1:55)
5. Announcements
