### ECONOMIC DEVELOPMENT

AB 306 (Hadley)	Public schools: attendance alternatives: children of military personnel. Authorizes a parent enlisted in the military and on active duty of a pupil enrolled in a school district of residence, as defined, to submit an application for the pupil to attend a school in any school district of choice, as defined. Would require that an application requesting such a transfer to a school district of choice be submitted to the school district of choice before January 1 of the year preceding the school year for which a pupil is requesting the transfer, except as provided, and would specify that the application may request enrollment of the pupil in a specific school or program within the school district of choice. Would require a school district of choice to establish a time period for resident pupil enrollment, in order to provide priority enrollment opportunities for pupils residing in the school district, and, after that time period has concluded, if space is available at a school in the school district of choice, to accept and approve transfer applications submitted pursuant to those provisions, in accordance with specified priorities. The bill would require a school district of choice that receives such an application for a transfer to allow the pupil to enroll in the school district of choice in the school year immediately following the approval of his or her application. The bill would authorize a school district of choice to adopt specific, written standards for the acceptance of applicants pursuant to those provisions.
