

Senator Steven Bradford  
REPRESENTING THE 35<sup>TH</sup> DISTRICT

## **2018 LEGISLATION**

(As of June, 2018)

### **Public Safety**

- **SB 978: Transparent Law Enforcement Policies and Procedures**  
Requires local law enforcement agencies to post on their websites all policies and procedures that they must already make available, under the existing California Public Records Act.
- **SB 1232: Providing Support for Victims of Crime**  
Extends the time period in which a young person can submit an application to the California Victims Compensation Board from 3 years after their 18th birthday to 3 years after their 21st birthday.
- **SB 1279: Restoring Sentencing Proportionality**  
Simplifies California's complex web of sentencing laws to maximize the safety purpose of sentencing and restore greater proportionality in sentencing.

### **Taxes & Local Economic Development**

- **SB 789: Inglewood Revitalization Project**  
Grants a CEQA process streamline for the City of Inglewood Revitalization Project, which will protect existing housing while enabling the construction of the Los Angeles Forum, Rams Coliseum, Clippers Arena and related public transit infrastructure.
- **SB 343: Income Tax Relief for Carousel Housing Tract Residents**  
Grants residents of the Carousel Housing Tract in Carson, CA, relief from state taxes on payments made to them by the Shell Oil Company as it temporarily relocates them to clean-up toxic substances from beneath their homes.

### **Business and Economic Development**

- **SB 1294: Cannabis Collaboration and Inclusion Act**  
Ensures that individuals with diverse backgrounds, from underserved communities, or who have been disproportionately impacted by the "war on drugs" are able to participate in California's now legalized, cannabis industry.

### **Labor**

- **SB 1412: Removing Employment Barriers for the Rehabilitated**

Ensures that job applicants with an expunged criminal history are not denied employment for a position, if the crime they committed is irrelevant to the job.

- **SB 617: Preventing Racial Discrimination in Workers' Compensation**  
Prevents racial discrimination by prohibiting the use of genetic history as a consideration in workers' compensation cases.

### **Energy, Utilities and Communications**

- **SB 1110: Preventing Public Utilities Stranded Assets**  
Protects taxpayers from the outstanding bond debt of certain public power plants, which were built to increase reliability after the energy crisis.
- **SB 1135: Expanding the California Alternate Rates for Energy program**  
Allows more disadvantaged families to participate in the California Alternate Rates for Energy (CARE) program by directing the California Public Utilities Commission to adjust the income cut-off for CARE eligibility to 250% of the Federal Poverty Level, up from 200%.

### **Health**

- **SB 1268: Preventing the Practice of Patient Brokering**  
Prohibits the practice of "selling" patients to addiction treatment centers and programs, also commonly referred to as "patient brokering," and authorizes the Department of Health and Human Services to investigate and take action against those who violate this provision.

### **Governmental Organization**

- **SB 1283: Supporting the Growth of Local Brewpubs**  
Expands the Department of Alcoholic Beverage Control's Type 75 license to allow brewpub-restaurants to sell their products for off-site consumption and donate their products to non-profit organizations.

### **Elections**

- **SB 1250: Clarifying Elections Law**  
Further reinforces current law by clarifying that for purposes of holding office, the "domicile" of a Member of the State Legislature is to be determined by the operation of the conclusive presumption that their domicile is the address at which they are registered to vote (within current district boundaries), but also may have other residences that do not establish their domicile.
