Energy Upgrade California: Summer Special Ends Labor Day!

SOUTH BAY - The Count Down is on to Labor Day...Don't forget, you can get *up to* \$6,000 in rebates and incentives through Labor Day from Southern California Edison, Southern California Gas Company, and the County of Los Angeles for doing qualified energy efficient upgrades to your home. Visit the Energy Upgrade website www.energyupgradeCA.org/LACounty to find a participating contractor. Call one of the Energy Upgrade California participating contractors and make an appointment for a consultation and estimate to get the process started. The EUC Participating Contractors are all BPI Certified building performance specialists as well as being licensed California contractors and can easily spot what your home needs. If you have any questions, be sure to call the South Bay Environmental Services Center (SBESC) at (310) 371-7222.

SBESC

The SBESC is the South Bay's local clearinghouse for energy and water efficiency training, materials and other environmental information. SBESC works closely with the sixteen South Bay cities and County Unincorporated Areas of the South Bay on the implementation of energy and water saving projects that reduce greenhouse gases as well as costs. SBESC provides resources and tools to assist residents, businesses, and public agencies in better understanding the potential for energy and water efficiency within their homes and businesses. The Center hosts a wide variety of seminars, training sessions, and participates in many community events to assist consumers in making the best decision regarding energy and water use. The SBESC is operated by the South Bay Cities Council of Governments (SBCCOG) which partners with The Gas CompanySM, Southern California Edison, West Basin Municipal Water District, City of Torrance Water Department, Sanitation Districts of Los Angeles County, Los Angeles County Metropolitan Transportation Authority, and County of Los Angeles. Visit www.sbesc.com for the latest activities, schedules and opportunities to participate in a greener South Bay
