

**SOUTH BAY CITIES
COUNCIL OF GOVERNMENTS**

is pleased to invite you to

Getting Ready for Rail in the South Bay- A Tour of the Metro Gold Line

Tuesday, March 29, 2011

9:15 am from the Artesia Transit Station

731 West 182nd Street, Los Angeles 90001

10:00 am from Metro One Gateway Plaza, 1st floor lobby

Metro One Gateway Plaza, Los Angeles, CA 90012

The group will leave Gateway Plaza at 10 am and ride the Gold Line to the Del Mar Station. Then we will leave the train to view the station and hear some speakers who will tell us their experiences with the construction of the line and the mitigation measures that have been added.

After the speakers and discussion, we will board a bus and view the neighborhoods that the Gold Line passes through. We will stop at Mission Station for more discussion and lunch.

Please plan about 4 hours. If you need to leave early, plan to meet us at Metro Gateway Plaza so that you can take the train back on your own.

This trip is for elected officials and city staff. Space will be limited by the number of people that the bus can hold so your RSVP is very important.

RSVP by March 25th

RSVP to Peggy J. Vadillo @ peggy@southbaycities.org
