RE: Termination of Services

Dear Jacki:

Per our previous exchange of e-mails, for personal and professional reasons I have elected to terminate all advisory and program management services relating to the South Bay Measure R Program and other transportation issues of interest to the South Bay. This termination is effective December 16, 2010. Our final invoice, for the period Dec. 1 – 15, 2010 is attached.

I wish the cities of the South Bay well as they endeavor to address the critical transportation challenges and opportunities that await them.

Sincerely,

Donald H. Camph
