**Subject:** SCAG reports – RC and CEHD

In the CEHD meeting we had two presentations in addition to the Consent Calendar. One was from JLL on the Future of Office and the other was on the Regional Data Platform, a tool that will allow municipalities for local General Plan Development and general decision making. It will be piloted in a few member agencies in 2021. We also received and filed an Emerging Technologies Report, specifically studying broadband opportunity throughout the region.

In the RC meeting, we approved Agenda Item No. 1, Resolution to Accept OTS Grant Funding, and the Consent Calendar, Agenda Item Nos. 2-12. If awarded, these \$1.25MM would go towards Go Human safety programming and outreach across the region.

Sincerely,

Drew
