Proposed Workgroup Framework

1. Data:
 - o Utilize HPI, Beach Cities Community Health Report and other data to highlight the community conditions shaping health outcomes by city or SPA 8 regions.
2. Identify up to 5 top issues: (e.g., mental health, food insecurity)
 - o Identify resources.
 - Consider conducting environmental assessment.
 - Identify current collaboration between SPA 8 partners and LA County including opportunities for expansion.
 - o Minimize duplication of services.
3. Action Plan: Assess existing and new groups to convene around these issues.
 - o Assemble Stakeholder Group:
 - Convene representative groups from organizations and individuals to review the data and assist with implementation – *who needs to be at the table?*
 - Create opportunities to solicit community input – *who is impacted?*
 - Prioritize areas of focus – *where do we start?*
 - o Create a collective implementation plan including recommended policy solutions and commitments.

4. Measurement and outcomes:
 - Identify measurable outcomes.
 - Track results over time

Next Steps

- Set up follow-up meeting if necessary.
- Share SPA 8 Workgroup plan with LA County.
- Set up a date for the Workgroup to meet.
