Contract goals: Registration: 10 -13 agencies *Status:* 10 registered **GOAL MET**

Enrollments: 6-8 agency *Status:* 6 enrolled **GOAL MET**

Re-engagements: 1 agency *Status:* 1 re-engagement **GOAL MET**

Program presentations: 4 *Status:* 8 presentations **GOAL MET**

SBCCOG and SoCalREN staff continued to meet with cities to enroll them into the SoCalREN program. Enrollment provides cities with direct resources to identify and implement energy efficiency projects. Specifically, SoCalREN provides technical staff, coordination with utilities, assistance with incentive applications, analysis of building energy, and financing information. SBCCOG is also working to obtain utility data for cities already enrolled in the SoCalREN program. This data collection was completed for the City of Torrance and a detailed energy analysis was presented to the city staff in January. SBCCOG staff continues to follow up with the cities of Lomita and Rancho Palos Verdes to complete enrollment.

To date the following cities are enrolled in the SoCalREN program: Carson, Hawthorne, Hermosa Beach, Redondo Beach, Rolling Hills Estates, and Torrance.

The SoCalREN also supports school districts. The SBCCOG staff met with SCE, SoCalGas, and the SoCalREN in January to discuss Regional Partnership engagement including enrollment for school districts.

Staff continues to work with West Basin staff to hold classes via webinar or Zoom.

Rain Barrel Giveaway

Contract goal: minimum of 5 and maximum of 6 events

Status of goal: rain barrel events are on hold at this time

West Basin continues to finalize a contract to provide delivery options for rain barrels. SBCCOG staff will help coordinate with residents to schedule delivery of the rain barrels. Rain barrel distribution is anticipated to begin again in Q1 2021 and the next planning call with West Basin is scheduled for Monday, February 1, 2021.

Task - Cash for Kitchens

Contract goal: distribute pre-rinse spray nozzles, sink flow restrictors, window clings, & program materials to 86 prior survey sites

Status of goal: no surveys were conducted in the month of January

West Basin staff and SBCCOG staff met on January 7th to discuss final details of the CFK program. SBCCOG staff is expected to distribute equipment through the mail and follow up with previous restaurants/commercial kitchens in February 2021.

Task - Change & Save (DAC) Program

Contract goal: Receive, document, and track customer calls; assist customers with online survey and applying for \$500 High-Efficiency Clothes Washer Rebate

Status:

- Number of calls: 30 in January

The water survey kit task was relaunched on January 4, 2021. The water saving kits will only be for DAC residents, but clothes washer rebates are available for all communities -- 400 for qualified DAC residents and 100 for qualified non-DAC. Staff is working on scheduling a meeting with City staff to raise awareness of the program for qualifying residents and ask for assistance to reach their communities.

Torrance Water

SBCCOG staff distributed information on Sanitation programs and virtual events via social media and e-blasts.

The Sanitation Districts continues to promote their food waste program that could help cities meet SB 1383 organic waste reduction targets by the Jan. 1, 2022 compliance deadline. This legislation established methane emission reduction targets. SBCCOG sent e-mail notices out to Public Works Directors the first week of January. LACSD staff will make a presentation to the Infrastructure Working Group on February 11th. The LACSD's materials recovery facility can accommodate 165 tons per day of source separated food waste and is currently operating at 30 tons per day. In addition, their Carson food waste receiving station can accommodate 600 tons per day and is currently operating at 300 tons per day. These diversion solutions are offered on a first come, first served basis. If cities are interested in these options, contact Will Chen wchen@lacsds.org; 562-908-4288 ext. 2431 or Habib Kharrat hkharrat@lacsds.org; 562-908-4288, ext. 6056.
