ENVIRONMENT

AB 79 (Levine)	Electrical generation: hourly greenhouse gas emissions: electricity from unspecified sources. Requires the Air Resources Board (ARB) to adopt a methodology to calculate hourly greenhouse gas (GHG) emissions from unspecified sources of electricity. Requires the Public Utilities Commission (PUC) and California Energy Commission (CEC) to incorporate the methodology into programs addressing disclosure of GHG emissions and procurement of electricity. AMENDMENT: Would authorize the state board to not update its methodology for the calculation of emissions of greenhouse gases associated with electricity from unspecified sources if it determines that updating the methodology is infeasible or is not appropriate because the administrative burden is excessive and differentiating is unlikely to materially improve the accuracy of the calculations needed for the state programs designed to regulate emissions of greenhouse gases. <p>AB 1180 (Holden)</p>	<p>Los Angeles County Flood Control District: taxes, fees & charges. Authorizes the district to levy a tax, in compliance with the applicable provisions of Article XIIC of the California Constitution, or impose a fee or charge, in compliance with the applicable provisions of Article XIID of the California Constitution, to pay the costs and expenses of carrying out projects and programs to increase stormwater capture and reduce stormwater and urban runoff pollution in the district, and would specify that projects funded by the revenues from the tax, fee, or charge may include projects providing multiple benefits that increase water supply, improve water quality, and, where appropriate, provide community enhancements, as prescribed. The bill would revise certain provisions prescribing the allocation of those revenues derived from any tax, fee, or charge imposed pursuant to the above-described provisions for those water projects and programs.</p>	<p>MONITOR</p>	<p>9/15/17 Enrolled</p> <p>League supports</p>
<p>AB 1274 (O'Donnell)</p>	<p>Smog check: exemption. Would, except as provided, exempt motor vehicles that are 8 or less model-years old from being inspected biennially upon renewal of registration. Starting Jan. 1, 2019, Would assess an annual smog abatement fee of \$25 on motor vehicles that are 7 or 8 model-years old. Would require the fee be deposited into the Air Pollution Control Fund and be available for expenditure, upon appropriation by the Legislature, to fund the Carl Moyer Memorial Air Quality Standards Attainment Program.</p>	<p>SUPPORT (5/25/17) (Ltr faxed to Asm Approp 5/30/17) (Ltr to Governor 9/18/17)</p>	<p>9/15/17 Enrolled</p> <p>Per Wayne Nastri, AQMD</p>
<p>AB 1646, 1647, & 1649 (Muratsuchi)</p>	<p>Relating to Refineries: <u>1646</u> – Hazardous materials: risk management plans: petroleum refineries - requires the risk management plan of a petroleum refinery to be posted on the web at various places specified. Requires an implementing agency to develop an integrated alerting and notification system, in coordination with local emergency management agencies, unified program agencies, local first response agencies, and the public, to be used to notify the community surrounding a petroleum refinery in the event of an incident at the refinery. <u>1647</u> – Petroleum refineries: air monitoring systems - requires the owner or operator of a petroleum refinery to install a community air monitoring system on or before January 1, 2020 and to install a fence-line monitoring system on or before January 1, 1919.</p>	<p>MONITOR</p>	<p>1646 9/13/17 Enrolled</p> <p>1647 9/15/17 Enrolled</p>

	<p>1649 – Interagency Task Force on Refinery Safety – creates task force. FURTHER AMENDED: Oil refineries: public safety. Requires the California Environmental Protection Agency (CalEPA) to coordinate the activities of those state and local agencies with a regulatory role regarding refineries and requires CalEPA to convene at least two public meetings annually to provide members of the public with current information on refinery safety. Requires CalEPA to request representatives from each state and local agency tasked with refinery safety to attend the public meetings required by the bill.</p>		<p>1649 9/13/17 Enrolled</p>
<p>SB 231 (Hertzberg)</p>	<p>Local government: fees and charges. Articles XIIC and XIID of California’s Constitution generally require that assessments, fees and charges be submitted to property owners for approval or rejection after written notice and a public hearing. Proposition 218 prescribes specific procedures and parameters for local jurisdictions to comply and defines terms for these purposes. This bill would define the term “sewer” for these purposes.</p>	<p>MONITOR</p>	<p>9/6/17 Enrolled LCC supports</p>
<p>SB 242 (Skinner)</p>	<p>Property Assessed Clean Energy Program: Program Administrator. Enacts consumer protections to PACE loans. Requires a program administrator that administers a PACE program on behalf of a public agency to comply with certain requirements when approving an assessment contract for the installation of an eligible measure, as well as the administration of that contract, including requiring the contract to comply with specified criteria and requirements. Requires a program administrator to obtain a sworn declaration of income containing specified financial information from each property owner, and would provide that a declarant who willfully states as true a material fact on that declaration that he or she knows to be false be subject to a civil penalty of a specified amount. Requires a program administrator to underwrite an assessment contract, and would prohibit a program administrator from approving an assessment contract if it determines that the property owner is unlikely to be able to make payments on that contract. Requires a program administrator, before a PACE assessment is consummated and in addition to other disclosures, to provide an oral confirmation of the key terms of an assessment contract with the property owner or an authorized representative of the property owner. SB 649 (Hueso)	Wireless telecommunications facilities: Establishes a statewide framework for streamlining the permitting siting process of small cell wireless facilities that meet specified requirements. Would provide that a small cell is a permitted use, subject only to a specified permitting process adopted by a city or county, if the small cell meets specified requirements. Would authorize a city or county to require an encroachment permit or a building permit, and any additional ministerial permits, for a small cell, as specified. Would authorize a city or county to charge 3 types of fees: an annual charge for each small cell attached to city or county vertical infrastructure, an annual attachment rate, or a one-time reimbursement fee. Would require the city or county to comply with notice and hearing requirements before imposing the annual attachment rate. Would require an action or proceeding to challenge a fee imposed under the provisions of this bill to be commenced within 120 days of the effective date of the ordinance or resolution. Would define the term "small cell" for these purposes. Would prohibit a city or county from adopting or enforcing any regulation on the placement or operation of a communications facility in the rights-of-way by a provider that is authorized by state law to operate in the rights-of-way or from regulating that service or imposing any tax, fee, or charge, except as provided in specified provisions of law or as specifically required by law. HOUSING

SB 2 (Wiener)	Building Homes and Jobs Act. Would make legislative findings and declarations relating to the need for establishing permanent, ongoing sources of funding dedicated to affordable housing development. Would impose a fee, except as provided, of \$75 to be paid at the time of the recording of every real estate instrument, paper, or notice required or permitted by law to be recorded, per each single transaction per single parcel of real property, not to exceed \$225. By imposing new duties on counties with respect to the imposition of the recording fee, the bill would create a state-mandated local program. Would require that a county recorder quarterly send revenues from this fee, after deduction of any actual and necessary administrative costs incurred by the county recorder, to the Controller for deposit in the Building Homes and Jobs Fund, which the bill would create within the State Treasury. AMENDED TO ADD: Would, upon appropriation by the Legislature, except as provided, require (1) for moneys collected on and after January 1, 2018, and until December 31, 2018, that 50% of the moneys deposited in the fund be made available to local governments for specified purposes,	MONITOR	9/15/17 Enrolled LCC supports

	<p>and 50% made available to the Department of Housing and Community Development to assist persons experiencing or at risk of homelessness, and (2) for moneys collected on and after January 1, 2019, that 70% of the moneys deposited in the fund be provided to local governments in accordance with a specified formula and 30% made available to the department for specified purposes, including a continuous appropriation of moneys to the California Housing Finance Agency for the purpose of creating mixed income multifamily residential housing for lower to moderate income households, as provided. Would also provide that funds allocated to a local government that does not have a documented plan to expend certain moneys allocated to it within 5 years would revert and be deposited in the Housing Rehabilitation Loan Fund, to be used for specified purposes. By continuously appropriating moneys for use by the California Housing Finance Agency, this bill would make an appropriation. Would require that 20% of all moneys in the fund be expended for affordable owner-occupied workforce-housing, and that moneys in the fund allocated to local governments be expended to support affordable housing, home ownership opportunities, and other housing-related programs, as specified.</p>		
<p>SB 3 (Beall)</p>	<p>Veterans and Affordable Housing Bond Act of 2018. Would enact the Veterans and Affordable Housing Bond Act of 2018, which, if adopted, would authorize the issuance of bonds in the amount of \$4,000,000,000 pursuant to the State General Obligation Bond Law. Of the proceeds from the sale of these bonds \$3,000,000,000 would be used to finance various existing housing programs, as well as infill infrastructure financing and affordable housing matching grant programs, as provided, and \$1,000,000,000 would be used to provide additional funding for the above-described program for farm, home, and mobile home purchase assistance for veterans, as provided. This bill would provide for submission of the bond act to the voters at the November 6, 2018, statewide general election.</p>	<p>MONITOR</p>	<p>9/15/17 Enrolled LCC Supports</p>

<p>SB 35 (Wiener)</p>	<p>Planning and zoning: affordable housing: streamlined approval process. Requires the planning agency to include in its annual report specified information regarding units of housing, including rental housing & housing designated for homeownership, that have secured all approvals from the local government and special districts needed to qualify for a building permit. Would also require the Department of Housing and Community Development to post an annual report submitted pursuant to the requirement described above on its Internet Web site, as provided.</p>	<p>OPPOSE (5/8/17)</p> <p>(Ltr sent to Sen Approps 5/12/17)</p> <p>(Ltr to Governor 9/18/17)</p>	<p>9/15/17 Enrolled</p> <p>LCC opposes</p>

TELECOMMUNICATIONS & TRANSPORTATION

<p>AB 1665 (Garcia)</p>	<p>Telecommunications: California Advanced Services Fund. Would revise the goal of the program to approve funding for infrastructure projects that will provide broadband access to no less than 98% of California households in each consortia region, as identified by the commission, by December 31, 2022. Would eliminate the Broadband Infrastructure and Revolving Loan Account and would require the transfer of the remaining unencumbered moneys in that account as of January 1, 2018, and the deposit of moneys collected that would be owed to that account into the Broadband Infrastructure Grant Account. Would establish within the CASF the Broadband Adoption Account and would require specified amounts of moneys to be deposited into this new account, the Broadband Infrastructure Grant Account, and the Rural and Urban Regional Broadband Consortia Grant Account. Repeals the current authorization to collect up to \$315,000,000 for deposit in the CASF at a rate of up to \$25,000,000 per year through the 2020 calendar year, and instead would authorize the commission to collect \$330,000,000 for deposit into the CASF beginning January 1, 2018, and continuing through the 2022 calendar year. Would revise the eligibility requirements for projects and project applicants for grants funded from the Broadband Infrastructure Grant Account. Would make moneys from the Rural and Urban Regional Broadband Consortia Grant Account available to facilitate the deployment of broadband infrastructure by assisting infrastructure grant applicants in the project development or grant application process. Would require recipients of those moneys to conduct an annual audit and to submit to the commission an annual report regarding activities funded by those moneys. Would make available moneys in the Broadband Adoption Account to specified entities for digital literacy training, public</p>	<p>MONITOR</p>	<p>9/15/17 Enrolled</p>
