

**South Bay Environmental Services Center**  
A program of the South Bay Cities Council of Governments

**Save Water, Energy, Money and the Environment**

## **Responsible Appliance Disposal (RAD) is coming to the South Bay**

**Sunday, June 27<sup>th</sup>**

Southern California Edison (SCE) and Sears are making it **easy** for South Bay Residents to recycle their old energy-guzzling appliances!

SCE, as part of their recycling program, will be in the South Bay to pick up your old, working refrigerator or freezer for **free**. Qualified customers can receive a \$50 rebate\*.

If your old refrigerator or freezer is NOT in working condition or you have another appliance to recycle, then Sears will pick it up for **free**.

Be sure to call SBESC 310-371-7222 or check the SBESC website [www.sbesc.com](http://www.sbesc.com) regarding this exciting program for updated information as it becomes available...

SBESC is funded by California utility customers and administered by Southern California Gas Company and Southern California Edison, in collaboration with South Bay Cities Council of Governments (SBCCOG), under the auspices of the California Public Utilities Commission through a contract awarded to SBCCOG. This program may be modified or terminated without prior notice and is provided to qualified customers on a first-come, first served basis until program funds are no longer available. California customers who choose to participate in this program are not obligated to purchase any additional services offered by the contractor. © South Bay Environmental Services Center.
