FINANCE

<p>AB 147 (Burke)</p>	<p>Use taxes: collection: retailer engaged in business in this state: marketplace facilitators. On and after April 1, 2019, a retailer engaged in business in this state includes any retailer that, in the preceding calendar year or the current calendar year, has total combined sales of tangible personal property for delivery in this state by the retailer and all persons related to the retailer that exceed \$500,000. The bill would allow the department to grant relief to certain retailers engaged in business in this state for specified interest or penalties imposed on use tax liabilities due and payable for tax reporting periods beginning April 1, 2019 and ending December 31, 2022. Would allow the department to grant relief to certain retailers engaged in business in this state for specified interest or penalties imposed on use tax liabilities due and payable for tax reporting periods beginning April 1, 2019 and ending December 31, 2022. URGENCY LEGISLATION TO TAKE EFFECT IMMEDIATELY</p> <p>ANALYSIS: the fiscal effect of these new rules will be the collection of use tax revenue of approximately \$10 million per year from retailers who sell into California but who do not have a physical presence in the state.</p>	<p>SUPPORT (3/28/19)</p> <p>LCC supports</p>	<p>4/1/19 Senate Third Reading</p>
<p>SB 5 (Beall)</p>	<p>Local-State Sustainable Investment Incentive Program. Would establish in state government the Local-State Sustainable Investment Incentive Program, which would be administered by the Sustainable Investment Incentive Committee. Would authorize a city, county, city and county, joint powers agency, enhanced infrastructure financing district, affordable housing authority, community revitalization and investment authority or transit village development district to apply to the Sustainable Investment Incentive Committee to participate in the program and would authorize the committee to approve or deny applications for projects meeting specific criteria. Would require the Sustainable Investment Incentive Committee to adopt guidelines for applications and approve no more than \$200,000,000 per year from July 1, 2020, to June 30, 2025, and \$250,000,000 per year from July 1, 2025, to June 30, 2029, in reductions in annual ERAF contributions for applicants for projects approved pursuant to this program. HOUSING & HOMELESSNESS

AB 36 (Bloom)	Residential tenancies: rent control. Existing law, the Costa-Hawkins Rental Housing Act, prescribes statewide limits on the application of local rent control with regard to certain properties. This bill would modify those provisions to authorize an owner of residential real property to establish the initial and all subsequent rental rates for a dwelling or unit that has been issued its first certificate of occupancy within 10 years of the date upon which the owner seeks to establish the initial or subsequent rental rate, or for a dwelling or unit that is alienable separate from the title to any other dwelling unit or is a subdivided interest in a subdivision and the owner is a natural person who owns 2 or more residential units within the same jurisdiction as the dwelling or unit for which the owner seeks to establish the initial or subsequent rental rate, subject to certain exceptions. AB 139 (Quirk-Silva)	Emergency and Transitional Housing Act of 2019. The Planning and Zoning Law requires, the planning agency to investigate and make recommendations regarding reasonable means to implement the general plan by April 1 of each year an annual report that includes a listing of sites rezoned to accommodate that portion of RHNA that can be accommodated. This bill would additionally require the report to include the number of emergency shelter beds currently available within the jurisdiction and the number of shelter beds that the jurisdiction has contracted for that are located within another jurisdiction, as specified.	MONITOR	Assembly Housing & Community Development Committee Hearing Date: 4/24/19
AB 148 (Quirk-Silva)	Regional transportation plans: sustainable communities strategies. Would require each sustainable communities strategy to also identify areas within the region sufficient to house an 8-year projection of the emergency shelter needs for the region, as specified. For the 5th and each subsequent update to the	MONITOR CALCOG opposes unless amended	1/24/19 Assembly Transportation Committee

	sustainable communities strategy, would require the metropolitan planning organization to, among other things, (1) identify the region's progress in the development of housing and emergency shelters in the areas within the region that were identified, in the prior sustainable communities strategy, as sufficient to house the 8-year projection of the region's regional housing and emergency shelter needs, and (2) determine whether the development will successfully meet the 8-year projection. Would require the state board's report, as described above, to include data-supported metrics that identify housing and emergency shelter developments related to the 8-year projection of the regional housing and emergency shelter needs that was assumed in the prior sustainable communities strategy, and the physical location of housing and emergency shelters identified in the most recently submitted sustainable communities strategy update.		
AB 302 (Berman)	Parking: homeless students. Would require a community college campus that has parking facilities on campus to grant overnight access to those facilities, on or before July 1, 2020, to any homeless student who is enrolled in coursework, has paid any enrollment fees that have not been waived, and is in good standing with the community college, for the purpose of sleeping in the student's vehicle overnight. Would require the governing board of the community college district to determine a plan of action to implement this requirement, as specified.	MONITOR	Assembly Higher Education Committee Hearing Date: 4/2/19
SB 6 (Beall)	Residential development: available land. Would require the Department of Housing and Community Development to furnish the Department of General Services with a list of local lands suitable and available for residential development as identified by a local government as part of the housing element of its general plan. The bill would require the Department of General Services to create a database of that information and information regarding state lands determined or declared excess and to make this database available and searchable by the public by means of a link on its internet web.	MONITOR	Senate Housing Committee Hearing Date: 4/2/19
SB 50 (Wiener)	Planning and zoning: housing: equitable communities incentive. Would require a city, county, or city and county to grant upon request an equitable communities incentive when a development proponent seeks and agrees to construct a residential development, as defined, that satisfies specified criteria, including, among other things, that the residential development is either a job-rich housing project or a transit-rich housing project, as those	OPPOSE (2/11/19) (ltr to Sen Housing Comm 2/20/19; ltr re:	Senate Housing Committee Hearing Date: 4/2/19

Would require that a residential development eligible for an equitable communities incentive receive waivers from maximum controls on density and automobile parking requirements greater than 0.5 parking spots per unit, up to 3 additional incentives or concessions under the Density Bonus Law, and specified additional waivers if the residential development is located within a 1/2-mile or 1/4-mile radius of a major transit stop, as defined. Would authorize a local government to modify or expand the terms of an equitable communities incentive, provided that the equitable communities incentive is consistent with these provisions.</p>	<p>amended version 4/1/19)</p>	
<p>SB 127 (Wiener)</p>	<p>Transportation funding: active transportation: complete streets. Would require Caltrans, by January 1, 2021, "when undertaking any capital improvement project on a state highway or a local street crossing a state highway that is funded through the SHOPP to include new pedestrian and bicycle facilities, or improve existing facilities, as part of the project." Would establish a Division of Active Transportation within Caltrans to oversee the existing Active Transportation Program and require that an undersecretary of the Transportation Agency be assigned to it.</p>	<p>OPPOSE (2/11/19) (ltr to Sen Housing Comm 2/20/19</p>	<p>1/24/19 Senate Transportation Committee</p>
<p>SB 330 (Skinner)</p>	<p>Housing Crisis Act of 2019. This bill, until January 1, 2030, with respect to land where housing is an allowable use, would prohibit the legislative body of a county or city, defined to include the electorate exercising its local initiative or referendum power, in which specified conditions exist, from enacting an amendment to a general plan or specific plan or adopting or amending any zoning ordinance that would have the effect of (A) changing the zoning classification of a parcel or parcels of property to a less intensive use or reducing the intensity of land use within an existing zoning district below what was allowed under the general plan or specific plan land use designation and zoning ordinances of the county or city as in effect on January 1, 2018; (B) imposing a moratorium on housing development within all or a portion of the jurisdiction of the county or city, except as provided; (C) imposing design standards that are more costly than those in effect on January 1, 2019; or (D) establishing or implementing any provision that limits the number</p>	<p>OPPOSE (3/28/19)</p>	<p>3/25/19 Senate Government & Finance Committee</p>

	of land use approvals or permits necessary for the approval and construction of housing that will be issued or allocated within the county or city. The bill would, notwithstanding these prohibitions, allow a city or county to prohibit the commercial use of land zoned for residential use consistent with the authority of the city or county conferred by other law. The bill would state that these prohibitions would apply to any zoning ordinance adopted or amended on or after January 1, 2018, and that any zoning ordinance adopted, or amendment to an existing ordinance or to an adopted general plan or specific plan, on or after that date that does not comply would be deemed void.

PUBLIC SAFETY

AB 1190 (Irwin)	Unmanned aircraft: state and local regulation: limitations. Would, among other things, prohibit a state or local agency from adopting any law or regulation that bans the operation of an unmanned aircraft system. Would include the operation of small unmanned aircraft systems within the definition of hazardous recreational activity for purposes of public entity liability. Would authorize a state or local agency to adopt regulations to enforce a requirement that a small unmanned aircraft system be properly registered under existing federal regulations. Would also authorize a state or local agency to require an unmanned aircraft operator to provide proof of federal, state, or local registration to licensing or enforcement officials. FEDERAL

HR 530 (Eshoo)	Accelerating Wireless Broadband Deployment by Empowering Local Communities Act of 2019. Overturns the FCC's September order preempting local authority over small cell wireless infrastructure on January 14, the day the order took effect. Would not preclude future FCC or congressional preemption of cities on wireless infrastructure, but it would halt the FCC's harmful preemption order, which ignored the input of hundreds of local governments. The bill also complements ongoing efforts to overturn the FCC order in federal courts, and the investigation by congressional leaders into alleged attempts by the FCC to thwart that litigation.
