

As promised from our last Economic Development Directors' Roundtable:

Our thanks to Amy Lemisch from the California Film Commission who sent the attached comparison chart of South Bay Cities filming guidelines - and

to JoAnne Golden from LAEDC who has sent information on what filming is actually doing for our South Bay cities which can be found at the following website. Be sure to look up your city.

Please let me know if you would like to discuss the use of this information further at the next Economic Development Directors' Roundtable meeting on March 21.
