

# South Bay Cities Council of Governments

November 19, 2020

TO: SBCCOG Board of Directors

FROM: Steering Committee

RE: Legislative Visits to discuss housing legislation

Adherence to Strategic Plan:

*Goal B: Regional Advocacy.* Advocate for the interests of the South Bay.

At its last meeting, the Steering Committee discussed forming legislative lobbying groups to talk to our legislators about proposed housing legislation and SBCCOG positions. Talking points will be prepared and legislative appointments will be made. For your information, the legislators have been listed by the cities that they represent and it would be most effective if we had representatives from the cities in the legislator's district at the meetings that we have.

The Steering Committee also would like to reach out to other legislative leaders such as Assemblymembers Kamlager, Bloom and Portantino as well as members of the Senate and Assembly Housing Committees. Any contacts you have with a legislator not on this list would also be helpful.

Please let Jacki know if you want to participate in meetings with your legislator and if you are available to participate in meetings with other legislative leaders.
