

26th
Annual
Clean Air Awards
South Coast Air Quality Management District

For over a quarter of a century, the South Coast Air Quality Management District (SCAQMD) has annually honored Clean Air Heroes...those people, businesses, organizations and municipalities that have helped improve air quality throughout our region.

These trailblazers have introduced innovative approaches to tackle our air pollution challenge. Their achievements have been replicated, maximizing the benefits and helping nearly 16.4 million people to breathe easier. Our air is cleaner and our families are healthier because of their efforts.

SCAQMD invites you to nominate worthy candidates to be recognized for their contributions to cleaner through innovation, leadership and personal environmental commitment. We urge you to nominate individuals, businesses, nonprofits, cities, media organizations, and community groups deserving of an award. We want to acknowledge those who are contributing to making Southern California a healthier place to live.

Please use this guide and entry form to prepare your nomination. If you have further questions, please call SCAQMD at (909) 396-2432. We look forward to learning about the remarkable efforts of your nominees.

Sincerely,

William A. Burke, Ed.D.
Chairman of the Governing Board
South Coast Air Quality Management District

to be held
October 3, 2014
at the Millennium
Biltmore Hotel
