The California High-Speed Rail Authority is responsible for planning, designing, building and operation of the first high-speed rail system in the nation. California high-speed rail will connect the mega-regions of the state, contribute to economic development and a cleaner environment, create jobs and preserve agricultural and protected lands.

The system will run from San Francisco to the Los Angeles basin in under three hours at speeds capable of over 220 miles per hour. The system will eventually extend to Sacramento and San Diego, totaling 800 miles with up to 24 stations. In addition, the Authority is working with regional partners to implement a state-wide rail modernization plan that will invest billions of dollars in local and regional rail lines to meet the state's 21st century transportation needs.

This meeting is in conjunction with the League's Annual Conference. An additional fee of \$40 applies, but you do not need to be registered for the Annual Conference to attend.

Tuesday, September 15, 2015

2:00 p.m. – 3:30 p.m.

As the Legislature enters the last few days of its first year of the 2015-16 legislative session, please join the League's Legislative team for an end of session legislative briefing and review of the top priority bills that cities will need to advocate for signature or veto by Gov. Jerry Brown.

With the legislative session ending on September 11, this will be the final opportunity for city officials to voice their support or opposition to the governor on key bills.

Please register for this free webinar at www.cacities.org/events by **Friday, September 11, 5:00 p.m.** For most League webinars, we allow only one connection per city. However, due to the capacity for this webinar, we are allowing two connections per city to provide easier access for our members.

Webinar log-in information will be sent by end of business on September 14th. For questions about how to register for the webinar, please contact Megan Dunn at mdunn@cacities.org

For all other questions, please contact Meg Desmond at mdesmond@cacities.org
