

UCLA Extension's Sustainability Program

presents

Malibu Creek Watershed Tour

Saturday, May 31

8:30am - 5pm

Instructor: Melina Watts

Enrollment Deadline: May 15 | Transportation Included*

Sustainability in Our Backyard: Exploring Natural Preservation

Join us as we tour the Santa Monica Mountains to discover various sustainability concerns and resolutions among our natural treasures. **Learn more about the challenges each site faces and what we can do, in our everyday lives, to aid in the preservation and sustainability of these locations.**

Tour Sites Include:

- Calabasas Creek Restoration Site
- Las Virgenes Municipal Water District Rancho Composting Facility
- Las Virgenes Municipal Water District Tapia Treatment Facility
- King Gillette Ranch Native Plants Garden Site
- California Wildlife Center

For more information, please contact Nicole Douglas

Email: ndouglas@uclaextension.edu

Phone: (310) 825 -7886

Registration and Fees:

Advanced registration is required. Enrollment deadline is May 15, 2014. | **Fee: \$45**

** Transportation is included in enrollment fees. Lunch/Meals are not provided.*

Enrollment Information:

Go to uclaextension.edu, click on "Quick Enroll" and enter Reg # 248276 or call (310) 825-9971 to enroll by phone.
