

SBCCOG's proposed Measure M Sub-regional Project funding approval process

Metro provides a five-year Measure M funding estimate for each sub-regional program.

COG's adopt a five-year programming plan for each sub-regional program within their respective sub-region. The plan will identify specific projects and phasing, allocated funding amounts, and project timing.

COG adopted five-year programming plans are submitted for approval by Metro Board.

Upon approval by Metro Board, project sponsors may apply for funding MOU's based on adopted five-year sub-regional fund programming plans.

COG's update or amend their adopted five-year programming plans on an annual basis reflecting executed funding MOU's and project additions or deletions and submit for approval by Metro Board.

Following Metro approval of projects, lead agency and Metro includes the relevant COG in all communications regarding project development and delivery.
