

Water Bottle Filling Station GRANT PROGRAM

West Basin Municipal Water District Provides Funding for Filling Stations at Public Facilities

Program Funding Available on a First-Come, First-Served Basis for Eligible Entities

Program specifics:

The 2018-19 West Basin Water Bottle Filling Station Program was created to provide the community with access to safe and reliable tap water to refill personal, reusable water bottles.

Starting July 1, 2018 West Basin will accept applications so that it may award eligible entities within the service area with grants of **up to \$1,000 per application** for use toward the purchase of an eco-friendly filling station. Applications will be accepted on a first-come, first-served basis until funds are exhausted. Up to two grants may be awarded to an entity per fiscal year.

To be eligible, applicants must:

- Be a public facility (city facility, school, community center, parks, recreation areas, etc.),
- Be located in the West Basin service area, and
- Meet all other specified criteria and fulfill all application requirements.
