# Crenshaw/LAX Project Connecting to the Green Line

**Six Green Line stations will be closed on weekends to connect and integrate with the Crenshaw LAX/Transit Project infrastructure.**

- **Duration:** Weekends only starting 9pm Friday, July 12 through October 2019. Service will resume on Monday mornings.
- **Closed stations:**
  1. Hawthorne/Lennox
  2. Aviation/LAX
  3. Mariposa
  4. El Segundo
  5. Douglas
  6. Redondo Beach
- All Bus Bays and Park & Rides will remain open.
- G-Shuttle bus will continue operating from the Aviation/LAX Station.

*Note:* The Crenshaw Station will remain open for eastbound boarding and westbound arrivals.

## Work Activity

- **Track:** Install tracks for trains to cross from the two existing Green Line tracks to the two Crenshaw/LAX tracks.
- **Signal:** Modify the Overhead Catenary System to provide power to the trains.
- **Vehicle:** Modify train control software and test on Green Line after incorporating Crenshaw/LAX elements overlapping the Green Line tracks.
- **Safety:** Test all the newly constructed items for safe operation once work has been completed.

Guideway connecting the Crenshaw/LAX Line tracks to the junction of Green Line

## Continuing Service through Free Bus Shuttles

- Operating free weekend Bus Shuttles between the Crenshaw Station and Redondo Beach Station serving all closed stations to and from Redondo Beach.
- Free weekend Bus Shuttles will operate every 15 minutes.
- All Bus Bays and Park & Rides will remain open.
- G-Shuttle bus will continue operating from the Aviation/LAX Station.
- Enhanced security.
