

BIOGRAPHY FOR GEORGE WENTZ, PE

George Wentz, PE, brings more than 40 years of administrative, management, and local government related experience, focused on delivering consulting support to public agencies. He has served as Assistant City Manager for the City of Jurupa Valley, CA since their incorporation in 2011. Jurupa Valley is a community of more than 100,000 residents. In this role, he has been responsible for administering all operational functions of the City and overseeing citywide. He has also been charged with economic development role for the City.

The city has encountered several economic challenges since incorporation so they are continually seeking innovative ways to drive the economic vibrancy in the city. One of George's responsibilities is to identify creative ways to enhance revenues and stimulate economic growth. Working with the development community and stakeholders, the city is pioneering ways to bring the desired growth along with gaining community benefits.

George received his engineering degree from Michigan State University and has a Masters Degree in Public Administration. He and his family lived on the Palos Verdes Peninsula for nearly 15 years. He has worked with many Peninsula and South Bay cities in various capacities – so he understands the uniqueness of the area.
