Frequently Asked Questions

Is it COVID-19 safe?

Yes! We made many procedural changes to provide a safe event environment.

Why do we do the Count?

To get the official statistics of what homelessness looks like in our community. These are then used to bring needed services and housing to the South Bay.

How often is it conducted?

Every year in January, with the exception of 2020 when it was cancelled because of the pandemic.

How will I know what to do that night?

You will be fully trained and provided with the materials you'll need. First timers are welcomed!

How old do I have to be?

All volunteers need to be at least 18 years old to participate in this activity.

550 volunteers are needed to complete the one-night homeless count of the South Bay!
