I. PROGRAMS - TECHNOLOGY, PLANNING, & RESEARCH

Climate

GHG emission inventory updates – CivicSpark Fellow

Several cities are moving more quickly through the data process and as a result will be receiving their greenhouse gas (GHG) emissions inventories sooner. Those cities are El Segundo, Hermosa Beach, Rancho Palos Verdes, Rolling Hills, and Torrance. The remaining member cities will most likely receive inventories in the next CivicSpark program year (anticipated start in Sept. 2022). Data for additional cities will be entered as it is received. Factor sets appropriate for SCE data have been created. The SBCCOG has also prepared and distributed data requests for emissions related to wastewater treatment. The SBCCOG continues to consult with ICLEI on best practices for updating methodology and streamlining the data collection, entry, and analysis process.

Energy Efficiency

Regional Energy Network (SoCalREN); CITY SUPPORT

Contract period is January 1, 2020 - December 31, 2022

Contract goal: Work Plan (including goals) are underway for 2022

Work continues with the CivicSpark Fellow meeting with cities to assist in accessing their portfolios utility consumption data in ENERGY STAR Portfolio Manager (ESPM). Each city portfolio contains property and energy usage of all city-owned buildings, thus providing an opportunity for cities to understand their energy usage in greater detail. To date, SBCCOG staff have met with the following cities: Carson, Gardena, Hawthorne, Hermosa Beach, Lawndale, Lomita, Manhattan Beach, Redondo Beach, and Rolling Hills Estates.

Staff have also met with cities to support state benchmarking compliance requirements. Under the Building Energy Benchmarking Program (AB802), property owners with buildings greater than 50,000 SqFt are required to submit annual energy usage reports to the California Energy Commission by June 1st. SBCCOG staff have submitted reports for the following cities who are now in compliance for 2022: Carson, El Segundo, Gardena, Hawthorne, Hermosa Beach, Lomita, Manhattan Beach, Redondo Beach, and Torrance.

SBCCOG staff continues to collect utility data for new SoCalREN enrollees in order to complete city specific comparative energy analysis (CEA) which helps identify energy efficiency projects. To date, CEA reports have been presented to the cities of Gardena, Hawthorne, Hermosa Beach, Lawndale, Manhattan Beach, Rancho Palos Verdes, Redondo Beach, Rolling Hills Estates, Torrance, El Segundo Unified School District, Redondo Beach Unified School District, and Torrance Unified School District.

Agencies enrolled in SoCalREN to date: Carson, El Segundo, Gardena, Hawthorne, Hermosa Beach, Lawndale, Lomita, Manhattan Beach, Rancho Palos Verdes, Redondo Beach, Rolling Hills Estates, Torrance, El Segundo Unified School District, Redondo Beach Unified School District, and Torrance Unified School District.

Regional Energy Network (SoCalREN): MULTIFAMILY

Contract period is September 1, 2020 – August 31, 2022

Contract goals: Contact, track progress, and outreach to local community organizations; track number of virtual events held, and number of attendees; distribute program collateral to local community organizations.

SBCCOG staff met with a large contractor who presented at the multifamily program webinar hosted by the San Gabriel Valley COG to discuss opportunities in the South Bay. This contractor has experience with the program and focuses on whole building implementation. SBCCOG staff discussed opportunities to partner with member cities to introduce the program in order to take advantage of massive incentives available now rather than later when problems arise.

Regional Energy Network (SoCalREN): Kits for Kids

SBCCOG staff continues to promote the Kits for Kids SoCalREN program focused on providing energy efficiency education to third and fourth grade students. Carson Towne Elementary school provided SBCCOG with surveys and testimonials after celebrating their two grant awards in April. SBCCOG staff is coordinating with ICF to create new marketing materials as a resource kit, expected to be complete in June, that will include an updated flyer and testimonials from Towne Elementary. Once in hand, the SBCCOG will provide the resource kit to the South Bay school district public information and/or communication contacts. Information on the program was emailed to the Torrance and Hermosa Beach unified school district contacts in May.
