RE: Virtual Meetings under AB 361 – Finding of Imminent Risks

Adherence to Strategic Plan:

Goal D: Organizational Stability. Member Networking and Communications.

Governor Newsom recently signed AB 361 which suspends certain Brown Act requirements during a declared statewide state of emergency. AB 361 also requires that state or local officials have imposed or recommended measures to promote social distancing or a governing body declares that holding a meeting in person would present imminent risks to the health or safety of attendees.

COVID-19, particularly mutations such as the delta variant, continue to spread throughout the County and State. As breakthrough cases for vaccinated individuals also continue to occur, SBCCOG staff recommends that holding in person meetings at this time would pose an imminent risk to the health or safety of those present.

RECOMMENDATION:

With the statewide declaration of emergency that is in place, find that the state of emergency continues to directly impact the ability of members to meet in person and, further, that the County of Los Angeles continues to recommend social distancing measures. Therefore, Brown Act meetings of the South Bay Cities Council of Governments are being held virtually as meeting in person would present imminent risks to the health or safety of attendees.
