

# South Bay Cities Council of Governments

April 11, 2022

TO: SBCCOG Steering Committee  
FROM: Jacki Bacharach, Executive Director  
SUBJECT: Status of Appointments to Outside Agencies

## Adherence to Strategic Plan:

*Goal B: Regional Advocacy.* Advocate for the interests of the South Bay.

## BACKGROUND

The SBCCOG makes appointments to represent the organization on several other agency Boards and Committees. Some of the appointments have their own terms but if they don't, consistent with Board policy, these appointments expire every two years in order to make sure that those that are interested in serving have a chance to do so.

The appointments listed below are due to expire. These appointment opportunities are open for any Mayor or Councilmember in the South Bay but the SBCCOG does request that any appointee be prepared to provide regular reports to the SBCCOG Board of Directors.

Nominations which were received as of the March 25 deadline are as follows:

### UNCONTESTED – all incumbents

- SCAG Policy Committees – 2 seats
  - Energy and Environment Committee – Britt Huff
  - Community, Housing, Economic Development Committee – Mark Waronek
- South Bay Association of Chambers of Commerce – Olivia Valentine

### CONTESTED – to be considered in Steering Committee Item H.

- Metro Service Council – 7 applicants for 3 positions
  - Incumbents – Ernie Crespo, Roye Love
  - 5 other applicants – Bill Uphoff, Grace Peng, Dora Gabriela “Gaby” Segovia, Anealia Kortkamp, Ken Blackwood

## RECOMMENDATION

Recommend that the Board reappoint the uncontested representatives for an additional two years and review nominees and provide direction on contested positions.
