

## Elizabeth Reynolds Bio

Elizabeth is the Program Director for Starburst Aerospace, focused on supporting innovation and entrepreneurship in the aerospace industry globally. She is an executive with over 15 years of experience in entrepreneurship, business operations, and strategy consulting. She is passionate about expanding deep tech development and opportunity here in Southern California.

Elizabeth began her journey in the startup world as the Director of Operations at Cross Campus where she led the launch of new co-working/incubator locations. She went on from there to serve as COO for biotech, mobility, and interactive media companies, taking one of them through an IPO. She currently serves as an advisor to a number of startups and non-profits.

Elizabeth holds a BA in Biology from Reed College and completed PhD coursework in Education at PSU.
