South Bay Cities Council of Governments

July 14, 2022

TO: SBCCOG Legislative Briefing

FROM: Jacki Bacharach, SBCCOG Executive Director & David Leger, SBCCOG Staff

RE: Bills to Monitor – Status as of June 30, 2022

Adherence to Strategic Plan:

Goal B: Regional Advocacy. Advocate for the interests of the South Bay

NOTE: **BOLD recommendation & status** indicates bill added since last Board meeting

ADDITIONAL NOTE:

Generally speaking bills that are still in policy committees (**highlighted in yellow**) have missed the deadline and are now dead. However, if the legislative leadership wants to resurrect an idea they can via rule waivers, but that doesn't happen except in extreme / urgent cases. Therefore we will monitor these bills to see if they remain alive or officially become 2 year bills.

CANNABIS			
SB 1186 (Wiener)	<p>Medicinal Cannabis Patients' Right of Access Act. Existing law allows local jurisdictions to regulate cannabis retailers and recognized the critical need for local control, primarily as part of cities'/counties' land-use authority. This bill on and after January 1, 2024, would prohibit a local jurisdiction from adopting or enforcing any regulation that prohibits retail sale by delivery within the local jurisdiction of medicinal cannabis to medicinal cannabis patients or their primary caregivers by medicinal cannabis businesses, as defined, or that has the effect of prohibiting the retail sale by delivery within the local jurisdiction of medicinal cannabis to medicinal cannabis patients or their primary caregivers in a timely and readily accessible manner and in types and quantities that are sufficient to meet demand from medicinal cannabis patients within the local jurisdiction, as specified. The bill, on and after January 1, 2024, would provide that the act may be enforced by an action for writ of mandate brought by a</p>	<p>OPPOSE (6/23/22)</p> <p>(Ltr sent 6/30/22)</p> <p>LCC POSITION: OPPOSE</p>	<p>6/29/22 Assembly Committee on Appropriations</p>

	medicinal cannabis patient or their primary caregiver, a medicinal cannabis business, the Attorney General, or any other party otherwise authorized by law. This bill would provide that CEQA does not apply to specified actions taken by a local jurisdiction relating to medicinal cannabis businesses, including the repeal of any local regulation prohibiting the operation of medicinal cannabis businesses.		
ENVIRONMENT			
SB 54 (Allen)	Solid waste: disposable packaging and food ware. This bill would establish the Plastic Pollution Producer Responsibility Act, which would prohibit producers of single-use, disposable packaging or single-use, disposable food service ware products from offering for sale, selling, distributing, or importing in or into the state such packaging or products that are manufactured on or after January 1, 2032, unless they are recyclable or compostable. SB 852 (Dodd)	Climate resilience districts: formation: funding mechanisms. This bill would permit cities, counties, or special districts, either alone or in combination, to establish climate resilience districts. The districts would be able to raise revenue through tax increment funding, and voter approved supplemental property taxes, property benefit assessments, or fees. The districts would have the authority to plan and implement projects and programs to address climate change either through mitigation or adaptation. SB 1122 (Allen)	San Gabriel and Lower Los Angeles Rivers and Mountains Conservancy: territory. Current law establishes the San Gabriel and Lower Los Angeles Rivers and Mountains Conservancy in the Natural Resources Agency and prescribes the functions and duties of the conservancy with regard to the protection, preservation, and enhancement of specified areas of the Counties of Los Angeles and Orange located along the San Gabriel River and the lower Los Angeles River and tributaries along those rivers. Current law, for purposes of those provisions, defines “territory” to mean the territory of the conservancy that consists of those portions of the	SUPPORT (Ltr sent 3/21/22)	6/29/22 Assembly Committee on Appropriations suspense file Previously supported in last session

	Counties of Los Angeles and Orange located within the San Gabriel River and its tributaries, the lower Los Angeles River and its tributaries, and the San Gabriel Mountains, as described. This bill would additionally include the Dominguez Channel watershed, the coastal watersheds of Manhattan Beach to the Palos Verdes Peninsula, and Santa Catalina Island, as described, within that definition of territory, and would make various related changes to the boundaries of that territory.		
SB 1217 (Allen)	State-Regional Collaborative for Climate, Equity, and Resilience. Would establish, until January 1, 2028, the State-Regional Collaborative for Climate, Equity, and Resilience to provide guidance, on or before January 1, 2024, to the State Air Resources Board for approving new guidelines for sustainable communities strategies. The collaborative would consist of one representative each of the following: the Transportation Agency, Housing and Community Development, and the Strategic Growth Council, along with 10 public members representing various local and state organizations, as specified. The bill would require, on or before December 31, 2025, the state board to update the guidelines for sustainable communities strategies to incorporate suggestions from the collaborative. GOVERNANCE			
AB 2449 (B. Rubio)	Open meetings: local agencies: teleconferences. This bill would authorize a local agency to use teleconferencing without complying with those specified teleconferencing requirements if at least a quorum of the members of the legislative body participates in person from a singular location clearly identified on the agenda that is open to the public and situated within the local agency's jurisdiction. The bill would impose prescribed requirements for this exception relating to notice, agendas, the means and manner of access, and procedures for disruptions. The bill would require the legislative body to implement a procedure for receiving and swiftly resolving requests for reasonable accommodation for individuals with disabilities, consistent with federal law. A member of the body shall only participate remotely if: 1) The agenda identifies the member as participating remotely and provides a brief reason why	MONITOR LCC POSITION: OPPOSE UNLESS AMENDED	6/29/22 Senate Committee on Appropriations

AB 2647 (Levine)	Open meetings: local agencies: teleconferences. The Ralph M. Brown Act requires the meetings of the legislative body of a local agency be conducted openly and publicly, with specified exceptions. Current law makes agendas of public meetings and other writings distributed to the members of the governing board disclosable public records, with certain exceptions. Current law requires a local agency to make those writings distributed to the members of the governing board available for public inspection at a public office or location that the agency designates. This bill would instead require a local agency to make those writings distributed to the members of the governing board available for public inspection at a public office or location that the agency designates or post the writings on the local agency's internet website in a position and manner that makes it clear that the writing relates to an agenda item for an upcoming meeting. SB 929 (Eggman)	Community mental health services: data collection. This bill would additionally require the State Department of Health Care Services to report to the Legislature, on or before May 1 of each year, quantitative information relating to, among other things, the number of persons detained for 72-hour evaluation and treatment, clinical outcomes for individuals placed in each type of hold, services provided in each category, waiting periods prior to receiving an evaluation or care, demographic data of those receiving care, and an assessment of all contracted beds. The bill would specify that the information be from each county for some of those data. The bill would require the department to make the	SUPPORT (6/23/22) (Ltr sent 6/30/22) LCC POSITION: SUPPORT	6/29/22 Assembly Committee on Appropriations

The bill would require the department, on or before July 1, 2023, to convene a stakeholder group to make recommendations on the methods to be used for efficiently providing the department with this information. The bill would specify that the stakeholder group would include, among other organizations, the County Behavioral Health Directors Association of California and the California Hospital Association. The bill would additionally require each other entity involved in implementing the provisions relating to detention, assessment, evaluation, or treatment for up to 72 hours to provide data to the department upon its request, as specified.</p>		
<p>SB 1154 (Eggman)</p>	<p>Facilities for mental health or substance use disorder crisis: database. This bill would require, by January 1, 2024, the State Department of Public Health, in consultation with the State Department of Health Care Services and the State Department of Social Services, and by conferring with specified stakeholders, to develop a real-time, internet-based database to collect, aggregate, and display information about beds in inpatient psychiatric facilities, crisis stabilization units, residential community mental health facilities, and licensed residential alcoholism or drug abuse recovery or treatment facilities in order to facilitate the identification and designation of facilities for the temporary treatment of individuals in mental health or substance use disorder crisis. The bill would require the database to include a minimum of specific information, including the contact information for a facility’s designated employee, and have the capacity to, among other things, enable searches to identify beds that are appropriate for the treatment of individuals in a mental health or substance use disorder crisis.</p>	<p>SUPPORT (6/23/22) (Ltr sent 6/30/22) LCC POSITION: SUPPORT</p>	<p>6/22/22 Assembly Committee on Appropriations</p>

HOMELESSNESS			
AB 2220 (Muratsuchi)	Homeless Courts Pilot Program. This bill would create the Homeless Courts Pilot Program, which would remain in effect until January 1, 2027, to be administered by the Judicial Council for the purpose of providing comprehensive community-based services to achieve stabilization for, and address the specific legal needs of, chronically homeless individuals who are involved with the criminal justice system. The bill would require programs seeking grant funds to provide a number of specified services or program components, including, but not limited to, a diversion program enabling participating defendants to have infractions, misdemeanor, or felony charges dismissed upon completion of a program, provision of supportive housing, as defined, during the duration of the program, and a dedicated county representative to assist defendants with housing needs. SB 914 (Rubio)	HELP (Homeless Equity for Left Behind Populations) Act. Would require cities, counties, and continuums of care receiving state funding to address homelessness on or after January 1, 2023, to take specific steps to ensure that the needs of victim service providers and survivors of violence, and a gendered analysis of the causes and consequences of homelessness, are incorporated into homelessness planning and responses. Would also impose other homelessness planning and data analysis requirements on these cities, counties, and continuums of care. Would prohibit victim service providers, as defined, from being required or expected to enter client-level data into specified homeless data systems and would permit any funding provided to cities, counties, and continuums of care to be used to support the development of these data systems and the maintenance of comparable databases, as specified. HOUSING			

<p>AB 916 (Salas, Quirk-Silva)</p>	<p>Zoning: accessory dwelling units: bedroom addition. This bill would prohibit a city or county legislative body from adopting or enforcing an ordinance requiring a public hearing as a condition of adding space for additional bedrooms or reconfiguring existing space to increase the bedroom count within an existing house, condominium, apartment, or dwelling. The bill would include findings that ensuring adequate housing is a matter of statewide concern and is not a municipal affair, and that the provision applies to all cities, including charter cities. This bill would instead authorize a local agency to establish a height limitation of 18 feet for those accessory dwelling units located on a lot that has an existing multifamily and multistory dwelling. The bill would specify that a local agency shall ministerially approve an application for a building permit within a residential or mixed-use zone to create not more than 2 accessory dwelling units that are located on a lot that has an existing or proposed multifamily dwelling, but are detached from that multifamily dwelling and are subject to a height limitation of 18 feet.</p>	<p>OPPOSE (5/26/22) (Ltr sent 6/2/22) LCC POSITION: WATCH</p>	<p>6/30/22 Senate Committee on Appropriations</p>

At least 15% of units would be required to be affordable to lower income households. For-sale projects could provide 30% of their units for moderate-income households. <i>Although this bill could support efforts such as the SBCCOG's Commercial Redevelopment REAP project, the SBCCOG would oppose the legislation as long as the by-right elements are included.</i></p>	<p>LCC POSITION: OPPOSE</p>	
<p>AB 2097 (Friedman)</p>	<p>Residential, commercial, and other development types: parking requirements. This bill would prohibit a public agency from imposing a minimum automobile parking requirement, or enforcing a minimum automobile parking requirement, on residential, commercial, or other development if the development is located on a parcel that is within one-half mile of public transit, as defined for residential or mixed-use developments with 40 or fewer housing units; for residential or mixed-use developments of any size with specified affordability requirements; or commercial or other development. When a project provides parking voluntarily, the bill would authorize a public agency to impose specified requirements on the voluntary parking. The bill would prohibit these provisions from reducing, eliminating, or precluding the enforcement of any requirement imposed on a new multifamily or nonresidential development to provide electric vehicle supply equipment installed parking spaces or parking spaces that are accessible to persons with disabilities. The bill would require the development project to provide parking, as required by local ordinance, for employees and other workers of hotels, motels, bed and breakfast inns, transient lodgings, and event centers.</p>	<p>OPPOSE (4/28/22) (Ltr sent 4/29/22) LCC POSITION: OPPOSE</p>	<p>6/23/22 Senate Committee on Appropriations</p>

AB 2221 (Quirk-Silva)	Accessory dwelling units. Existing law requires a local ordinance to require an accessory dwelling unit to be either attached to, or located within, the proposed or existing primary dwelling, as specified, or detached from the proposed or existing primary dwelling and located on the same lot as the proposed or existing primary dwelling. This bill would specify that an accessory dwelling unit that is detached from the proposed or existing primary dwelling may include a detached garage. Existing law authorizes a local agency to establish minimum and maximum unit size requirements for attached and detached accessory dwelling units, subject to certain exceptions, including that a local agency is prohibited from establishing limits on lot coverage, floor area ratio, open space, and minimum lot size, that do not permit the construction of at least an 800 square foot accessory dwelling unit, as specified. This bill would additionally prohibit a local agency from establishing limits on front setbacks, as described above. Existing law authorizes a local agency to ministerially approve an application for a building permit within a residential or mixed-use zone to create, among other things, one detached, new construction, accessory dwelling unit that does not exceed 4-foot side and rear yard setbacks, as specified. Existing law authorizes the local agency to impose on the accessory dwelling unit a total floor area limitation of not more than 800 square feet and a height limitation of 16 feet. This bill would prohibit a city, county, or city and county from imposing any minimum automobile parking requirement on a housing development project that is located within 1/2 mile of public transit, as defined. The bill, notwithstanding the above-described prohibition, would authorize a city, county, or city and county to impose or enforce minimum automobile parking requirements on a housing development project if the local government demonstrates to the developer, within 30 days of the receipt of a completed application, that the development would have a negative impact, supported by a preponderance of the evidence, on the city's, county's, or city and county's ability to meet its share of specified housing needs or existing residential or commercial parking within 1/2 mile of the housing development. The bill would create an exception from the above-described provision if the development either dedicates a minimum of 20% of the total number of housing units to very low, low-, or moderate-income households, students, the elderly, or persons with disabilities or contains fewer than 20 housing units. Existing law authorizes the Attorney General to bring suit for a violation of housing element compliance. BALLOT MEASURES

19-0029A1 Authorizes New Types of Gambling. Initiative Constitutional and Statutory Amendment	“California Sports Wagering Regulation and Unlawful Gambling Enforcement Act”. Allows federally recognized Native American tribes to operate roulette, dice games, and sports wagering on tribal lands, subject to compacts negotiated by the Governor and ratified by the Legislature. Beginning in 2022, allows on-site sports wagering at only privately operated horse-racing tracks in four specified counties for persons 21 years or older. Imposes 10% tax on sports-wagering profits at horse-racing tracks; directs portion of revenues to enforcement and problem-gambling programs. Prohibits marketing of sports wagering to persons under 21. Authorizes private lawsuits to enforce other gambling laws. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local governments: Increased state revenues, potentially reaching the tens of millions of dollars annually, from payments made by facilities offering sports wagering and new civil penalties authorized by this measure. Some portion of these revenues would reflect a shift from other existing state and local revenues.	OPPOSE (2/24/22)	Eligible for November 2022 Statewide ballot
