What is Relay For Life?

Beach Cities Relay For Life is a fun and unique walkathon to increase cancer awareness while raising funds for the American Cancer Society's patient service programs, cancer research, advocacy, and community education. Teams formed by local businesses, community groups, friends, and families will raise funds before and during the event. At Relay, team members take turns walking the track, Relay-style enjoying games, food, fun, activities, and entertainment.

We Celebrate Cancer Survivors

Survivors are invited to join us as our honorary guests for the Survivors' Lap, which kicks off Relay. Survivors take the first lap together, and then their Caregivers join them for the second lap. Cancer Survivors' strength and courage help the community see that cancer survivorship is real and that we are making progress in the battle against cancer.

We Remember those we have lost to cancer

In the evening, the light of Luminaria bags glow in the darkness, lighting our way through the night. Each Luminaria has written on it the name of a loved one lost to cancer, or one who is a cancer survivor as well as a personal heartfelt message. These Luminaria remind us that we walk for the lives that cancer has touched.

We Fight Back!

No one should have to hear the words "You have cancer," so we do everything we can to make sure that participants are educated not only about prevention and detection of cancer, **but also about the American Cancer Society's free programs and services for patients and their families.** Help us fight back against cancer by joining us at Relay!

Teaming Up for the Fight...How you can help

- **Form a team** of friends, family, businesses, clubs, families, hospitals, faith-based groups, schools, and service organizations.
- **Become a sponsor** and show your community that you care!
- **Join the committee!** This is a great opportunity to give back to your community and help plan this worthwhile event.
- **Volunteer the day of the event.** There are many volunteer opportunities available that need your support.
- **Make a donation!** Every dollar counts and helps to fund a cure.
