3 Weeks ago began the posting and beginning of enforcement of LA Municipal Code 41.18 “Anti Camping” ordinance at an encampment in San Pedro (Gulch Road). This is last of the nearly 200 + tents that had been in and around the San Pedro Post Office area.

We worked with Councilman Buscaino 2 weeks ago to individually hand out flyers about the upcoming enforcement and offered individuals shelter. 7 people and one dog were moved into the SP ABH site.

Yesterday, the Sanitation Crew, LAPD and the Councilman were at the site for clean up and close down the area. HIS staff were there to offer shelter and transportation to the site and another 3 were moved to SP ABH site and another 2 were moved to Wilmington Tiny Homes.
