

MAKING MEANING OF SUICIDE LOSS: Stories from Lived Experience

Monday, September 19

from 7:30 – 9:00 p.m.

September is Suicide Prevention Month. The National Alliance on Mental Illness (NAMI) and Beach Cities Health District invite you to join NAMI South Bay's monthly meeting as we discuss surviving suicide loss. We will be viewing a webinar featuring Dr. Ken Duckworth, the NAMI National Chief Medical Director, as he facilitates a discussion with four individuals who share their story of surviving a suicide loss. We will also be discussing resources and suicide prevention efforts including the implementation of the 988 suicide and crisis lifeline and recent legislative efforts including Community, Assistance, Recovery and Empowerment (CARE) Court plan.

If you have any questions, please contact Paul Stansbury at pstan5@aol.com.
