

South Bay Cities Council of Governments

June 12, 2023

TO: SBCCOG Steering Committee

FROM: Jacki Bacharach, Executive Director

SUBJECT: I.T. - Meraki Licenses for Wireless Access Points in SBCCOG Office

BACKGROUND

The South Bay Cities Council of Government's (SBCCOG) currently has a license bundle for wireless access points through its current I.T. managed services provider, Sharp Business Systems. These licenses facilitate WiFi within the SBCCOG offices. The initial licenses are expiring at the end of June.

ANALYSIS

Sharp Business Systems provided the attached quote for new 3-year licenses for the equipment. A total of four licenses are required and will cost \$1,504.87 over the 3-year period.

RECOMMENDATION

Recommend Board approval of the 3-year license for a total amount of \$1,504.87.
