South Coast AQMD would like share the following news from our agency:

## 9<sup>th</sup> Annual Environmental Justice Conference

South Coast AQMD invites you to join us for our 9<sup>th</sup> Annual Environmental Justice Conference this September 13<sup>th</sup>! This year's event will be held at the Riverside Convention Center and runs from 10 am to 1:30 pm, with plenary and breakout sessions focused on the theme "Building a Clean Air Future Together". The conference is free to attend and will include a lunch. Registration is now open at <https://bit.ly/aqmdEJ23>. For more information, please see our attached event fliers available in both English and Spanish. We hope to see you there!

## Rule 1180

This week South Coast AQMD held two Public Workshops, in English and Spanish, to present and solicit information and suggestions from the public regarding Proposed Amended Rule 1180 – Major Petroleum Refinery Fenceline and Community Air Monitoring (PAR 1180) and Proposed Rule 1180.1 – Other Refinery Fenceline and Community Air Monitoring (PR 1180.1), which are scheduled for a Public Hearing before the South Coast AQMD Governing Board on November 3, 2023 (subject to change).

We invite everyone to continue to take part in our public workshops regarding PAR 1180 and PR 1180.1. For more information on these rules and on upcoming meetings, please visit the [Rule 1180 Rules Page](#) on our district web site, [www.aqmd.gov](http://www.aqmd.gov), or contact: Mojtaba Moghani at (909) 396-2527 and [mmoghani@aqmd.gov](mailto:mmoghani@aqmd.gov).

## Other Agency Funding Opportunities

1. The California Air Resources Board (CARB) has \$32.65 million available to fund multiple planning, clean transportation, and supporting projects across the State. Community-based organizations, local governments (including public school districts), and tribal governments are eligible to apply. The Request for Applications is a two-phase process. The first phase - Concept Phase applications - must be received by CARB no later than 11:59 pm (PDT) on Friday, September 8, 2023. Applicants will then be selected to advance to the Full Application Phase. Applicants must apply for the Concept Phase to be eligible for the Full Phase.

Join CARB's Q&A Zoom sessions to ask questions. Email your questions to [step@arb.ca.gov](mailto:step@arb.ca.gov) up to 12:00 pm (Pacific Time) three business days before the session to ensure you receive a response. For more information, including the schedule of the Q&A sessions, please visit <https://bit.ly/CARB-planning-grants>.

2. The Golden State Priority Project will soon open their application period for rebates on the purchase and installation of DC Fast Chargers for electric vehicles. This funding is available for sites in disadvantaged and low-income communities, and eligible applicants can qualify for rebates covering up to 50% of their project's total approved costs, capped at \$100,000 per charging port. Sites must install a minimum of 4 eligible charging ports, and receive a rebate for up to 20. The application period will run from September 13 through November 17, 2023.
