

# South Coast Air Quality Management District

South Coast  
AQMD 21865 Copley Drive, Diamond Bar, CA 91765-4178  
(909) 396-2000 • [www.aqmd.gov](http://www.aqmd.gov)

South Coast AQMD would like share the following agency updates:

Our Governing Board has approved \$40 million in funds from the California Air Resources Board for the Replace Your Ride program. Eligible participants can receive up to \$12,000 per voucher later this fall, an increase from the current amount of \$9,500, to purchase a newer more fuel-efficient vehicle at reduced cost, in exchange for retiring their older gas or diesel-powered vehicle.

Applicants can also choose to scrap their older vehicle in exchange for a voucher that can be used for an electric bike, car sharing, or public transportation passes.

For a full list of requirements or to apply for free, please visit [ReplaceYourRide.com](http://ReplaceYourRide.com) and select the Get Started tab. If you are interested in applying, please determine your eligibility, or call (844) 797-2223 for further information.

Additionally, with summer smog season before us, South Coast AQMD would like to remind cities and residents about our mobile app, a great resource for staying up to date with local air quality conditions. The app is now the region's most advanced for monitoring air quality, featuring more accurate and precise air quality information from anywhere within the agency's four-county jurisdiction. During air quality events such as wildfires, users can check their air quality in real time at the neighborhood level.

The app allows users to personalize features, including customizable notifications when air quality reaches a particular level. Pressing the app's 1-800-CUT-SMOG button places a call to South Coast AQMD's 24-hour complaint hotline, where users and businesses can report smoking vehicles, equipment breakdowns and file other air quality complaints. Users can also find alternative fueling locations with driving directions, weather, South Coast AQMD advisories, announcements, public events and more.

The award-winning app is also available in Spanish and found in both the Apple and Android app stores. For more information, please visit: [www.aqmd.gov/mobileapp](http://www.aqmd.gov/mobileapp).
