

PUBLIC TOURS!

Have you ever wondered where your water comes from? In southern Los Angeles County, half of that water comes from ancient aquifers right under our feet!

JOIN US for a free tour of the Albert Robles Center for Water Recycling and Environmental Learning (ARC) to see how we purify water to send to your taps. ARC features an interactive learning center and is open to all ages.

RSVP HERE:  [HTTPS://WWW.WRD.ORG/FACILITY-TOURS](https://www.wrd.org/facility-tours)
